The 6-beat ad template

Fill one box per beat before you film. If a box stays empty, that's the beat your ad is missing.

01 Hook: who it's for

- [ ] Name the person or the situation in the first second
- [ ] Everyone else is allowed to scroll

02 Problem: what it costs them

- [ ] Write it in the words they would use
- [ ] One problem, not three

03 Offer: one sentence

- [ ] The thing + the when + the catch
- [ ] A stranger can repeat it back

04 Proof: show it working

- [ ] Before and after, a review, a demo
- [ ] One thing a sceptic would believe

05 Risk: answer the worry

- [ ] What would stop them saying yes?
- [ ] Answer it before they have to ask

06 CTA: one action

- [ ] Only one thing to tap
- [ ] A reason to do it now
