Reuse a winner, don't repost it

Keep the idea that worked. Change at least two of these four before it goes out again.

01 A new first frame

- [ ] Different opening picture or shot
- [ ] Still shows the same idea in the first second
- [ ] Someone who saw the old one would notice it's new

02 A new hook line

- [ ] Same promise, new words
- [ ] Written the way a buyer would say it
- [ ] Read it out loud: does it sound new?

03 A new format

- [ ] A reel becomes a carousel, or a carousel becomes a reel
- [ ] A list becomes a before and after, or a story
- [ ] The idea still works in the new shape

04 A new buyer

- [ ] Name one specific person this version is for
- [ ] Use a problem only they have
- [ ] Change the example to their business
